

Rugby School Picnic Enjoyed by All

A lovely day, a bountiful supply of "caviars" and a fair crowd all combined to make the Rugby school picnic a success. It was held in the hall, lunch being placed on the long tables, down the center, and everyone helped themselves. When this was finished the crowd moved outside to watch the games and races. After a while the Rugby and Melvin school teams lined up to play ball, the latter losing by a big margin. After this everyone went back to the hall where quantities of ice cream and soft drinks were served. Feeling refreshed the crowd once more repaired to the ball diamond where they remained till a late hour.

Just before the games began to leave the crowd gathered around the chairman, Mr. W. Hughes, who in well chosen words thanked Mrs. Leclaire for her faithful service in the school during the last two years, and for all the trouble and work she had done in making the day such a success.

Royden Cowitz then presented Mrs. Leclaire with an envelope of money as a small token of appreciation from the school, and she replied with a few words of thanks. Three cheers and a tiger were given, and one more successful day at Rugby came to a close.

The editor received a card from Mrs. Alberta Breehwaal, who has been visiting for several months in the United States, saying that she expects to return to Didsbury this week end. She has only missed one copy of the "Pioneer" since she has been away.

Alberta Camp Opens July 11

Summer time is holiday time. We know of no finer way to spend your holiday than at Alberta Camp. The camp site is situated on the bank of the Little Red Deer river twenty miles west of Didsbury, one mile north of the Elkton postoffice. Nothing can be more restful than the whispering of the tall evergreens and the ruffling of the waves over the stones. Then, too, you will appreciate the fine spirit of friendship and Christian fellowship which you will find at the camp.

For your benefit two studies will be offered this year. One on the "Life of Paul," and the second on "Christian Stewardship." An interesting Bible study will also be offered under the capable leadership of Rev. R. R. Strutz, Conference Supt. of the Montana Conference, who will also be the speaker at the evening evangelistic service.

Special classes will also be held for boys and girls of junior high age.

The afternoons will be devoted to Youth Fellowship meetings and various forms of outdoor recreation.

On Camp Sunday three great services are planned. 8:45 a.m., Sunday School; 10:30 a.m., morning service; 2:30 p.m., Missionary Rally with Premier E.C. Manning as speaker. Then the great closing service on Sunday evening at 7:00 o'clock.

The dates are July 11 to 17. Rev. A.J. Grams is in charge of the camp and an invitation is extended to everyone to attend.

SUCH WAS LIFE

At the turn of the century and before, many Alberta settlers had to get their coal for winter at the Carbon mine, 50 or more miles distant. Trails were often drifted heavily and in such storms any bachelor's shack along the way was a real haven. Doors were never locked and you were welcome to whatever you could find by way of food, etc.

Harry, having been caught in a blizzard, was forced to such a shelter, as night overtook him. He found nobody at home but a huge pot of meat was boiling on the stove. The bachelor friend had done five miles to a neighbor and was likewise storm stayed for the night.

The next morning the bachelor friend made his return fairly early and Harry thanked him, and offered to pay for his generous supply of delicious stew. "Oh no, not at all!" came the quick reply. "I was only cooking coyote meat for my dogs."

PIONEER CITIZEN

DIDSBURY FAIR CANCELLED FOR THIS YEAR ONLY

A meeting of interested citizens was held in the Lions hall last Tuesday evening to discuss plans for the Didsbury Agricultural Society's annual exhibition, and after discussing the question fully it was decided to cancel the fair for 1949 due to the scarcity of feed and garden products which help to swell exhibits.

This does not mean that future fairs will be cancelled, and plans will go ahead to hold the fair as usual in 1950.

News Briefs From The Melvin District

Emily Dupont received word that she had passed her grade 6 piano Conservatory of Music examinations. Congratulations, Emily.

Mr. and Mrs. Roy McNaughton taking to Sylvan Lake Friday, taking some of the Boy Scouts to camp.

Clerence Youngs, who is on the staff of the Department of Research in Saskatoon spent several days visiting at the home of his parents.

Miss Betty Bell of Edmonton was also a week end visitor at the Geo. Youngs home.

The Melvin school ball team attended the Rugby school picnic last week when they lost a game to the Rugby team 15-5. They all enjoyed the day very much and would like to thank the Rugby children and their teacher, Mrs. Leclaire, for the splendid hospitality. We hear most everyone was stilled on ice cream.

Mrs. A. Geddes and sons are visiting this week at the home of her brother, Mr. Dupont Sr. and Mrs. Dupont.

Mr. Wm. Youngs of Embro, Ont., is visiting this week end at the home of his brother, George, Mr. Youngs motored out from Ontario in company with three other elderly gentlemen. They plan on taking in part of the Calgary Stampede and will go on to Vancouver before returning home via the U.S.A.

Mr. and Mrs. Roy Cox and family of High Prairie visited over the weekend at the home of Mrs. Fischer, enroute to points in the United States. Roy Cox is a former resident of the Melvin district.

Mr. and Mrs. Gus Olson holidayed in Banff for several days last week.

Ruth and Harold Johnston enjoyed a few days last week in Drumheller and district, visiting with relatives and friends.

Only 12 Rural Fairs Now Held in Alberta

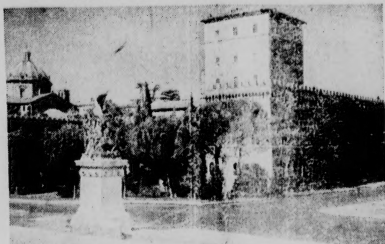

Back in the 20's there were nearly a hundred district agricultural fairs held in the rural communities of Alberta. Among the once popular rural school fairs they have almost passed into history with the horse-and-buggy days while motor cars carry farm families to larger towns and cities for their fun at week-long "circuit exhibitions or three-day "circuit fairs, both marked by circuit exhibits of livestock and travelling grandstand performances and midway shows.

Only a round dozen of the smaller community "C" class fairs have survived in Alberta. Along with the larger fairs, they have been put on a more stable basis as regards provincial department of agriculture grants by amended legislation which allows community fairs to earn up to \$500 by way of a grant, depending on prize monies paid. No new fairs may be held within 50 miles of an established one without consent of the minister.

One and two-day baseball tournaments with large cash prizes and all the rival towns within 75 miles competing, frequently provides the big drawing card along with some other sports or athletic events. At times other than exhibits of farm stock, produce and things of domestic manufacture, tastes run to saddle pony races in the north of the province, harness racing in the centre and calf roping or steer riding in the south, to stir home competitive spirit. And these fairs, too, usually have a merry-go-round and slide show, plus the ever present local charity bingo tent.

F. H. Newcombe, director of extension and superintendent of fairs

Mr. and Mrs. James Hughes Celebrate Silver Anniversary

Fifty-five neighbors called on Mr. and Mrs. Jim Hughes on Thursday evening, June 30th, to help them celebrate their silver wedding anniversary.

The evening was spent in community singing, two comic readings by Mrs. Rose Youngs, two solos by Mildred Luft, two comic recitations by Mrs. Rose Youngs, solo by Robbie Hughes, two solos by Mr. Emil Dupont, duet by Mrs. Percy Hoosegood and Mrs. Harry Levagood.

A bountiful lunch followed the program after which Mr. and Mrs. Hughes were asked to cut the miniature wedding cake and a piece of it was served to all.

On behalf of those present Mr. Ed Klinck presented the bride and groom of 25 years ago with a gift of silver and an envelope of money.

Both Mr. and Mrs. Hughes thanked all for their thoughtfulness in remembering their anniversary and their wish is that everyone will come to visit them again soon and have tea with them out of their new silver tea service.

Miss Phyllis Hughes, nurse-in-training at the General Hospital in Calgary, was home on holiday and was able to celebrate the occasion with her parents.

After singing "For They are Jolly Good Fellows" all departed, wishing the bride and groom more anniversaries in the future.

Dr. and Mrs. P. Purdie, who have been Didsbury residents for the past three months, left Friday for Eastern Canada where they will reside in future.

Ed Klinck had a new well drilled on his acreage south of town and struck a good flow of water at 68 feet. Ed says there should be plenty of water in the well to supply his 30 head of purebred Hereford calves.

Ed Archer Stars In Baseball Game

Didsbury's youthful Ed Archer stole the show last Tuesday evening at the local baseball diamond when he pitched the Didsbury nine to a 4-1 victory over Bowden in a postponed Rosebud League game. Working effectively throughout the game Archer tossed a variety assortment of pitches that had the usually strong Bowden batters bewildered.

The local team pitched well behind such stellar playing and it was indeed encouraging to see the younger members of the club performing in such a credible manner.

Didsbury Flyers Break Even In Games Played on July 1

The Didsbury Ladies' softball team got into action on July 1st after completion of school examinations, by playing two games away from home. Accepting an invitation to play at the Lone Pine picnic the Flyers played against a team representing the Bancroft district in the early afternoon. A large crowd was in attendance to witness the performance which the ladies put on, and upon completion of six innings the game was called with the Didsbury Flyers holding a commanding lead. Clara Schneidmiller and Jean Wilson formed the battery for the Flyers, with Clara giving a very good display of pitching. The Bancroft ladies had a very promising team and with more playing will have a very good club.

The second game of the day was played at Olds where Miller's Combines and the Flyers matched each other in a game that thrilled the very large crowd for nine full innings. It was the fourth time these two clubs had met this year and the game was equally as exciting as the others.

The game opened up at a fast clip with Olds scoring three runs in the first half of the first inning on some loose Didsbury fielding. In Didsbury's half of the first in-

ning the Flyers took command and crossed the plate with seven runs. At this point in the game the crowd was really excited. For the next four innings Didsbury led on the score sheet, with Olds taking the lead in the fifth, and adding to the lead until the ninth inning when a Didsbury rally almost gave them a win.

Marjorie Goelzen was the star of the day as she slammed out two home runs, pitched well, and fielded remarkably for the Flyers. Jean Krebs gave a sensational performance at first base, and Clara Schneidmiller's home run showed that she was well batted.

Carter and Madsen homered for the Combines and when the game was completed the score was 20-17 for Olds.

Didsbury: Morgan 2b, Folkman ss, Wilson c, Goelzen p, Irwin 3b, Fox lf, Krebs 1b, Schneidmiller rf, Loft cf, Alice Wood, Jean Duffer, Sandra Wood, Pat Price, Anna Dupont, Elaine Goelzen, Margaret Shields.

Miller's Combines: Olsen p, Marcum lf, Miller cf, Madsen cf, Dunkley ss, Carter 2b, Johnson 1b, Herbert c, McLeod 3b.

Score by innings:
Olds 320 042 13—27
Didsbury 702 100 043—17

Barley Contest Closes July 15

Farmers with prospect of a good barley crop are urged by the Contest committee to enter it in this year's National Barley Contest.

All entries must be in hands of the respective provincial chairman of the Committee or with the Committee itself by July 15. Entry forms as in other years are available from the nearest agricultural representative or from the local elevator agent.

As soon as entries are received by the provincial committee, the applicant will be registered as a contestant in the National Barley Contest. Mail entry forms as soon as possible to A. M. Wilson, department of agriculture, Edmonton.

PRESERVING CRAFT OF MAKING GOLD COINS

The Royal Mint in Britain is making 100 thousand sovereigns which will never be used for money. They will remain as part of the nation's gold reserve and will not be issued to the public. These gold coins are being struck for a very special purpose, to preserve the inherited knowledge and craftsmanship in making gold coins. The craft of gold coining requires a different technique from that used for other metals.

Mrs. Evelyn Peck Honored at Shower

An event of unusual interest to Didsbury and community took place at the home of Mr. and Mrs. Ben Krueger on Wednesday, June 29, when about 35 ladies met to honor to Mrs. Evelyn Peck, whose marriage took place in Calgary this week.

The first part of the afternoon was spent in contests under the direction of Winifred Miller, and Boone Krueger. Mrs. Ross Youngs was first in the Art contest, Mrs. Anderson was first in true or false, and Mrs. Cunningham was first in the stamp contest.

Community singing followed, with Mrs. H. Youngs at the piano. Mrs. Lydia Suder delighted everyone with a beautiful solo, accompanied on the piano by Mrs. Harvey Stevens.

A delicious supper was served, with Mrs. Gillrie and Mrs. N. Hunsperger assisting the hostess.

Mrs. Peck thanked the ladies for the gifts and the purse of money showered on her, and all joined in a wistful plea for many years of health, happiness and prosperity.

ATTEND PRESENTATION TO DIST. POSTAL INSPECTOR

Mr. H. Morgan of Didsbury and Mr. A. Foulds of Delburne, members of the Alberta Postmasters' Association executive, motored to Calgary today (Wednesday) to attend a presentation ceremony in honor of Mr. A.W. Dingle, retiring district inspector of the Dominion postal service.

Present Chair to Mr. & Mrs. French

On July 1th, a family gathering was held to honor Mr. and Mrs. George French, Didsbury, the occasion being Mr. French's 64th birthday. Those present included Mr. and Mrs. Tom Storey and Mr. and Mrs. George Hamilton and two girls from Grandview, Manitoba; Mr. and Mrs. Arnold Wilson and boys, Rosedale; Mr. and Mrs. Verne Hopper and Dennis Beynon; Mr. and Mrs. Walter Berscht and Twila, Calgary; and Mr. and Mrs. Elwood French and girls of Didsbury. A family picnic dinner was held at the home, and supper was served at the French home.

Mr. and Mrs. French were presented with an Eventide floating chair.

TO MAKE 15 OZ. CANS

When the 1939 canned pack reaches grocers' shelves, Canadian housewives will have the opportunity of buying, for the first time, the new "small family" size can of their favorite fruits, vegetables, and juices.

Plans are being made for the manufacture in quantity of a 15-ounce can recently approved for a trial period ending December 31, 1949, by the Federal Government, pending a final decision by the government and the canners as to the dimensions of the new container for future use.

The government order for the 15-ounce pack, announced in a circular to the canning industry, was passed as a result of having reviewed and given full consideration to the recommendations of the Canadian Food Processors' Association regarding the adoption of a container between the 10 and 20 fluid ounce sizes. The canning trade is to make its final recommendation by August 1, 1949.

Silence isn't always golden; sometimes it is just plain yellow.

THOSE TOES

I cannot imagine why women suppose

We like to be able to see their big toes.

Those knobs with a nail, rather battered and blue,

Which coyly protrude from the end of the shoe,

sometimes the big chap's not alone in his pride.

Two exposed little digits peep out at the side.

The heel is half-naked—in fact, more and more

One wonders just what the queer shoe can be for!

Aren't they not arranged for a rather large hole

And let the glad world see a piece of the sole?

One day—who can say?—a new fashion may come,

A glove that exposes the end of the thumb.

While small frozen knuckles pop out here and there,

Inviting the male to a reverent stare.

Dear Ladies, we date on your numerous charms.

We like to see bits of your legs and your arms;

We shall not complain of an ankle that shows;

But do not expect us to love your big toes.

HOW'S BUSINESS

How was business during the first half, what's the outlook for the second half? The Financial Post made an industry-by-industry survey, found conditions still buoyant and overall considered likely to remain so for the balance of the year at least.

Employment and over-all industrial production figures were still at high levels. Steel was in a considerably strong position. Weakness of base metal prices in U.S. was having little of an effect on Canadian production schedules. Consumers still have plenty of money to pour into retail cash registers.

FARMERS BORROW MORE

Canadian farmers are making good use of borrowing facilities provided for them under the Farm Improvement Loans Act. The total amount loaned in 1948 was about 60 per cent of the 1947 total and 1949 borrowings to date are estimated to be well up to the figures at this time a year ago may be considered higher.

The primary purpose of the Farm Improvement Loans Act has been described as an effort to fill a gap in the Canadian credit system to meet the needs of agriculture. It was aimed at providing intermediate and long term credit for farmers, under more convenient terms and conditions than existed formerly.

SAWS FOR PLASTIC

Special saw blades for cutting plastics are offered for sale by an English company, reports the Financial Post. Manufacturers claim Eclipse spiral piercing blades are designed to cut new plastics, acrylic resins, etc. Teeth are milled to give extra sharpness. Accurately controlled heat treatment is said to give maximum toughness and durability. The tooth portion is spiralled to cut in any direction without chipping or binding. The ends of the blades are flat to ensure a firm grip by the saw.

TUGGLE—GIBSON

The home of Mr. and Mrs. Harry Gibson at Didsbury was the setting for an afternoon wedding Saturday, June 25, at which their daughter Evelyn May, became the bride of Burr Stanley Tuggle, son of Mr. and Mrs. C.E. Tuggle of Didsbury.

Rev. J.W. Bainbridge performed the nuptial rites before a background of carnations and decorated streamers, draped with silver wedding bells.

Given in marriage by her father, the bride was gownned in traditional white satin styled with long ivory-point sleeves, button-back closing, and accented with wide lace insert, trimmed with pearls. Her bridal veil of silk net fell from a coronet of lilies-of-the-valley and she carried a bouquet of red roses with streamers of white satin ribbon knotted with rosebuds.

The bridesmaid, Miss Rhonda Tuggle, sister of the bridegroom, wore a soft pink taffeta gown with matching chapel veil, and a bouquet of variegated carnations with golden ribbon to match her accessories.

Mr. Clifford Gibson, the bride's brother, was groomsmen. Mr. Hans Gibson played the wedding march, and during the signing of the register played "I Love You Truly."

For her daughter's wedding Mrs. Gibson chose a navy blue eyelet lacey dress, complemented by a corsage of pink carnations. Mrs. Tuggle wore a burgundy wine suit with white accessories and a corsage of pink carnations.

At the reception which followed, the bride's table was centred with a three-tiered wedding cake. Rev. Bainbridge proposed the toast to the bride, to which the groom responded. During the reception congratulatory telegrams and telephone calls were received. Assistants at the buffet luncheon were Misses Joyce and Gladys Luft, Mrs. George Miller, and Miss May Ringheim.

Mr. and Mrs. Tuggle left by car on a wedding trip to points of interest in the United States, wearing matching suits of brown, and the bride's corsage was pink carnations. On returning they will make their home at Didsbury.

A black and white photograph of a rugged, snow-capped mountain peak, likely Mount Everest, with a small settlement or camp visible at its base. The image is high-contrast, showing the dark, rocky slopes and the bright white snow. The settlement at the base is small and appears to be situated in a valley or near a body of water. The overall tone is dramatic and emphasizes the scale and isolation of the mountain environment.

This huge development will cost \$10,200,000. It will take two years to complete. Five dams will be required. 2,400,000 cubic yards of earth and rock will be excavated. Three power plants will be erected. Their combined output will add 89,000 H.P. to the Company's capacity.

Today, new vigor for Alberta's development, new soundness for Alberta's progress, new horizons for Alberta's future are being built by Free Enterprise in the valleys and canyons of the Spray. Already, under the impetus of achievement, crews have set a pace which has put construction to date of this huge project days ahead of schedule.

WEDDINGS**MORTIMER—WOOD**

At a wedding ceremony solemnized Saturday afternoon, June 18, at the residence of the bride's great-grandfather, Mr. Henry Wise Wood, pioneer of the Carstairs district and first president of the Alberta Wheat Pool, Miss Marya Wood, daughter of Mr. and Mrs. Harold E. Wood of Didsbury, became the bride of Mr. Robert Keith Mortimer, son of Mr. and Mrs. Charles Mortimer, also of Didsbury.

Rev. J. W. Bainbridge performed the nuptial rites before a background of pines and fern. Silver wedding bells were used throughout the reception rooms.

Given in marriage by her father, the bride was gowned in traditional white satin with a button back closing. Self satin flowers with pearl centres outlined the nylon yoke and double peplums were draped over the hips. Her bridal veil of satin applied illusion cascaded to the floor from a Mary Queen of Scots headdress rimmed with lilies-of-the-valley, and carried a cascade bouquet of red roses and lilies-of-the-valley.

In delicate contrast to the bride's gown were the frosted organza gowns of pale blue and pink worn respectively by the matron of honor, Mrs. Kay Marshall, cousin of the bridegroom, and the bridesmaid, Miss Betty Mortimer, sister of the bridegroom. Mrs. Marshall wore blue Juliet cap with her frock, and Miss Mortimer complemented her gown with a matching pink halo hat. They both carried colonial bouquets of variegated sweet peas.

The flower girls were little Gale Wood and Marlene Sautter, cousins of the bride, who were frocked in dresses of mauve and yellow frosted voile. They carried baskets of sweet peas. Master Keith McKenle was the ring bearer.

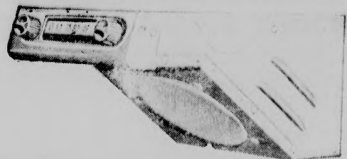

The groomsmen were Mr. Robert Hatfield of Calgary and ushering the guests was Mr. Charles Newton. The traditional wedding music was played by Miss Constance Ure. During the signing of the register, Mrs. J. Charles Yale, violinist, played "At Dawning" accompanied by Miss Myrtle Carey.

At the reception which followed the bride's table was centred with a tiered wedding cake flanked by white cathedral tapers and vases of roses and sweet peas. Mr. Bainbridge proposed the toast to the bride. Honors at the tea and coffee urns were performed by Mrs. Ray Wood and Mrs. D. A. Petrie, and assistance at the reception for 150 guests were Mrs. Margaret Wood, Mrs. H.E. Wood and Mrs. C. S. Mortimer.

For her daughter's wedding Mrs. Wood chose a gown dress of champagne silk crepe with accessories of navy blue while the bridegroom's mother was frocked in dusty rose crepe with navy accessories. They complemented their ensembles with corsages of gardenias and pink sweetheart roses.

Mr. and Mrs. Mortimer left to spend their honeymoon in Banff, after which they will make their home in Berkeley, Calif., where the bridegroom will attend the University of California. For travelling the bride donned a navy blue suit with a Milan hat to match. Completing her costume were dusty rose accessories and top coat and a corsage of gardenias surrounded by pink sweet heart roses.

The first commercial telegraph line in Canada was set up in 1847, linking Toronto, Hamilton, St. Catharines, Niagara Falls and Buffalo.
